

AL MANHAL INTERNATIONAL GROUP LLC

Abu Dhabi – 11th January, 2018

To: His Excellency Gaston Flosse
President of Tahoeraa Huiratiraa
French Polynesia

Subject: 30 years Project financing and economic development program by Al Manhal to French Polynesia

Your Excellency,

Thank you for your visit to Abu Dhabi, UAE and for attending the meeting with Al Manhal International Group LLC.

It is truly a distinct pleasure and privilege to discuss with your excellency and team members about Al Manhal proposal for the development program of French Polynesia.

We thank you to have reminded us the current economic situation of your country. After meeting you, obviously we are sensitive to your concern and your respectable commitment to help the Polynesian population and especially the tens of thousands of people living in poverty.

We are looking at French Polynesia since 2016 and we spent time to study this country that is why we take this unexpected opportunity to present, to your Excellency, the expression of our interest in working with an eminent political personality, in order to help French Polynesia to develop its economy and prosperity of citizens by providing financial and technical support and specialized investment programs to grow the development fund of French Polynesia.

We would like to suggest French Polynesia to follow the development plan which UAE Government has taken care from 1971 for its development of infrastructure like roads, Transport, aviation, airports, hospitals and Schools to the present level of UAE for the economic development of the citizens.

A financial consortium headed by Al Manhal International Group L.L.C along with its partners, who are top International Financial Institutions and other International Companies are prepared to develop the Proposed Projects like development of Tourism, Agriculture, Security Training and surveillance, VVIP security, Housing, Hospitals & Clinics, Food supply, Cultivation of agricultural products, Power Projects, Roads, Mining, Oil & Gas, or other development projects needed and requested by French Polynesia.

Our proposal is not only financial proposal but more an unwavering support to accompany, with our experience and our resources, French Polynesia in building a successful future that will benefit its entire population.

Al Manhal International Group LLC and its financial consortium are prepared to work exclusively with Your Excellency and French Polynesia Government to secure and provide long term specialized program to increase the fund of French Polynesia.

The amount of financial support, provided by Al Manhal Group LLC, has been estimated at 5 billion USD, and will meet the next government's expectation, according to the project of development you submitted during our meeting in Abu Dhabi. The latter consists in public investments, private/public joint venture and private projects. French Polynesia shall provide Bank Guarantee or Securities to be fully confirmed by International Bank and others guarantees with proven value accessible to French Polynesia.

Looking for long term cooperation.

With best regards

Suhail Al Dhaheri
